

Guahan Earth Day 2012

epa.guam.gov/activities/earth-day-2012
March 31, 2012 to May 5, 2012

Right Tree for the Right Place workshop

9 a.m. – 11 a.m. on Saturday, April 14

Learn about how trees can help save you money! Planting the Right Tree in the Right Place will help lower your power bill and protect our clean drinking water.

Workshop is free and open to all members of the public.

Date and time: Saturday, April 14 from 9 a.m. to 11 a.m.

Location: University of Guam, Mangilao. Business building Room 129 (Business building is past the field house near the Education building)

How do I register: Complete this form and email it to TammyJoAnderson.taft@epa.guam.gov or drop it at UOG CALS Room 105.

Who should attend: Parents, homeowners, students and anyone interested in planting and protecting native trees.

Please fill the form entirely and email it to TammyJoAnderson.Taft@epa.guam.gov, drop it off at the University of Guam Agriculture Life Science (CALS) building (on the right side of the road before you go to Marine Lab), room 105 between 8 a.m. and 5 p.m.

Name: _____

Email Address: _____

Home Number: _____ **Cell Number:** _____
